BLUEWATER DISTRICT SCHOOL BOARD

The Egremont Eagle

From the Principal's Desk

Our grade 8 Graduation is scheduled for Wednesday, June 26. Further information will be coming soon. The last day of school for students is Thursday, June 28. Term 2 Report cards will be sent home on Wednesday, June 26th.

Our grade 1 and 3 students, with support from our Parent Council and Student Council, will begin their 8 week swimming program at the Hanover Aquatic Centre beginning on April 5 and running through to June 14. This is a great program that we hope will continue for years to come.

Grade 3 and 6 students will be writing the Education Quality and Accountability Office (EQAO) standardized assessment between May 21 and June 3. Students will be tested on their knowledge and skills in Reading, Writing, and Mathematics over several days. More information will soon be coming home to parents of those students.

Parent Council are excited to host our upcoming, fourth annual Music Night, which will be held at the Optimist Centre on April 30th, starting at 6:30 p.m. Doors open at 6:00-we hope to see many families in attendance! As this is a family event, we ask that students attend with their parents. There will be refreshments and loads of music.

Thanks to everyone who came out to our Family Night on March 7. We all had loads of fun, thanks to Sharon Zintel, who provided all the math games. Thanks also to everyone for the positive comments we received. People were asked to respond to, "Was there something you enjoyed (other than the pizza)? This is what people said: *"Hanging out with my friends and family. Challenging my brain."* *"All of it!"* *"Yes, the games, and getting to guess the jellybeans."* *"The games were great. Lots of fun!"* *"Games and conversations."* *"Playing games*

with my kids. Community. Awesome!"

Also, please save the date for our Annual Family Fun Night on June 18. Once again, there will be food, games and lots of opportunity for conversation.

We continue to need extra help running the snack program, as sometimes there are days where we have no volunteers, and so, the program doesn't run. We have a great group of parents who manage to give some time each week to help out. If you are able to even give an hour ever now and then, that would help to keep things going. Please contact the school.

Upcoming events can be seen on the attached school calendar. We wish everyone a happy last three months of the school year!
